Summary: The song is by Kavana, I think. Be carefull, it's so sad.

If I Promise...

'I need to talk with you again,
>why did you go away?
All our time together,
>just seems like yesterday.
I never thought I'd see
>A single day without you.
Y'see the things we take for granted,

>we can sometimes loose...'
>Tai laid a hand on TK's shoulder. "We should get going now."
TK nodded but couldn't leave. He couldn't tear his eyes away...

>
'And If I promise not to feel this pain,
>will I see you again?
Will I see you again?
>Time will pass me by,
maybe I'll never learn to smile.
>But I know I'll make it through, if you wait for me.
And all the tears I cry.
>No matter how I try.
They'll never bring you home to me,
>so won't you wait for me?
In heaven..."
>
TK remembered that he was always there for him. It just seemed wrong for TK
>to go, even if he was gone...
>'Do you remember how it was?
When we never seemed to care.

>Days went by so quickly.
'cause I thought you'd always be there.

>It's hard to let you go,
although I know I must try.
>I feel like we've been cheated.
'coz we never said goodbye.'

>
Sora put a comforting arm around the young boy "We'll never forget him." SheÂ
>whispered through her tears. Tai sighed and tried in vain to keep his own tears
from flowing. The others stood silently back, stunned and unknowing what to do...

They all shared the same grief. the same sorrow. Mimi burst into tears again as
>Joe laid a hand on her back, trying in vain to stop her tears. Izzy just shook his head
still shocked, still depressed. Gabumon's tears stained his fur as his fellow digimon
>friends tried to cheer him up.
>'And I miss you so,
and I need to know,
>will you wait for me?'
>TK read the rough inscription in the stone for the hundreth time, but he still didn't believe it...
>IN MEMORY OF YAMATO ISHIDA
FAITHFULL FRIEND, BROTHER, COMPANION AND DIGIDESTINED.
>1986-2000
>'Time will pass us by,
Maybe I'll never learn to smile.
>But I know I'll make it through,
if you wait for me.'

"Goodbye, Matt"
>and TK walked away.

>THIS IS NOT MENT FOR ANY TYPE OF YAOI! TAI AND MATT AND IZZY AND JOE
ARE ALL BEST FRIENDS! Oh, yeah. I don't own digimon. The song ain't mine, it's Kavana's, I think...
>GOSH WHY DID I HAVE TO DO THAT???!??!????!!!? *starts bawling*
